It is a point for consideration as to how far they are under the control of the Chief Court so that the Head of the Department may exercise the control over the Contingent expenditure as required by the rules on the subject (vide mys. Dec code) Submitted for orders.

2) The rules and orders under which Justices of the Peace are appointed are explained in page 4 of the office notes in C 569-13 part up. These officers do not, as such, appear to be under the control of any authority in the State. Returns of cases filed and disposed of in these Courts are not also sent.

3) This seems to be the first occasion on which requisition for a contingent grant has been received. It is not clear if, in view of the no: of cases coming before these Courts being very few, the expenses may not be met out of the contingent allotment of the offices in charge of the Justices.

5) Strictly speaking the Courts of Justices of the Peace are British Courts & the expenses if any, should be paid by the Govt of India. There is sure to be some expenditure on stationery, forms &c. The expense is however likely to be very trifling & the stationery & forms used are, I presume, those supplied by the Durbar. It does not seem worth troubling the Govt of India in this matter.

6) The contingent expenses may be directed to be ~~borne by the~~ met from the grants of the offices of which these officers (Messrs Bocquet & Pitkin) are respectively in charge.

His docket No. R.O.C. 1170/18-19 dated 25th April 1919, enquiring whether the amount of Rs.2-8-0 towards the contingent charges of the Court of Justice of the Peace, Kolar Gold Fields, cannot be met out of the contingent allotment made to the Special Magistrate's Court, Kolar Gold Fields.

- - - - - -

With reference to the above, has the honor to state that the Special Magistrate, Kolar Gold Fields, intimates that the allotment sanctioned to his Court is barely sufficient to meet the expenditure of that Court and that it is not possible to spare any amount out of it for other Courts.
